1. At each race, 7 names (4 adults and 3 KOS) will be randomly drawn from the day's race participants and placed into the perpetual hat. These names will qualify for a chance to win at the final draw. If a name is drawn more than once, there will be a re-draw.
2. One additional name qualifier will be drawn each race from the early bird 4-race bonus registrants.
3. A total of 32 names will be drawn over the 4 races.
4. At the last race (May 31st), the winners (male & female) of the KOS Grand Prizes will be drawn at the pre-race meeting (approx. 6:30pm). **You must be present to win a prize**; otherwise there will be a re-draw.
5. At the last race (May 31st), the winners of the Adult Grand Prizes will be drawn after the adult races are complete. **You must be present to win a prize**; otherwise there will be a re-draw.
6. The draw for the bike fit from Woodcock will be made from all the adult names in the perpetual hat, except those of the 2 shopping spree prize winners.
